We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by America's 1st Choice Health Plans, Inc. In most cases, your prescriptions are covered under America's 1st Choice Health Plans, Inc. only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription, you can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Network pharmacies are first listed in this directory by type of pharmacy (Retail/Chain, Mail Order, Home Infusion , Long Term Care, and Indian Health Service / Tribal / Urban Indian Health Program (I/T/U)) and are further divided, where needed, by county. To locate a retail/chain network pharmacy nearest to your home, go to the retail/chain pharmacy section, and then find your county. An * indicates the pharmacy provides an extended day supply of medications.
